I appeared for a fresh IELTS recently; result due on the 2nd February instant. I will let you know the score once it is available. I have got a lot of experience in primary care as well as Medical Administration as my CV would suggest. I am competent, sincere, honest and faithful to my organisation. I dream of working and establishing myself in Canada and contributing positively to the healthcare system of the country. My Medical Degree was evaluated by ECFMG and it is with the MCC.
